**HANKUK UNIVERSITY  
OF FOREIGN STUDIES**

# Introduction

Hankuk University of Foreign Studies (HUFS) is a leading global institution established in 1954. Since its founding, HUFS has pioneered the way forward for Korea, leading the country's economic growth and globalization.

HUFS is recognized as the best university in Korea for educating foreign languages and area studies. The mission of the university is to foster creative experts on the international stage, who can contribute to world peace and the exchange of cultures.

HUFS teaches 45 major languages of Asia, Europe, the Middle East and other regions of the world, combined with studies in the humanities, social sciences, business, law, natural and computer sciences. HUFS produces global leaders equipped with both professional knowledge and excellent language skills.

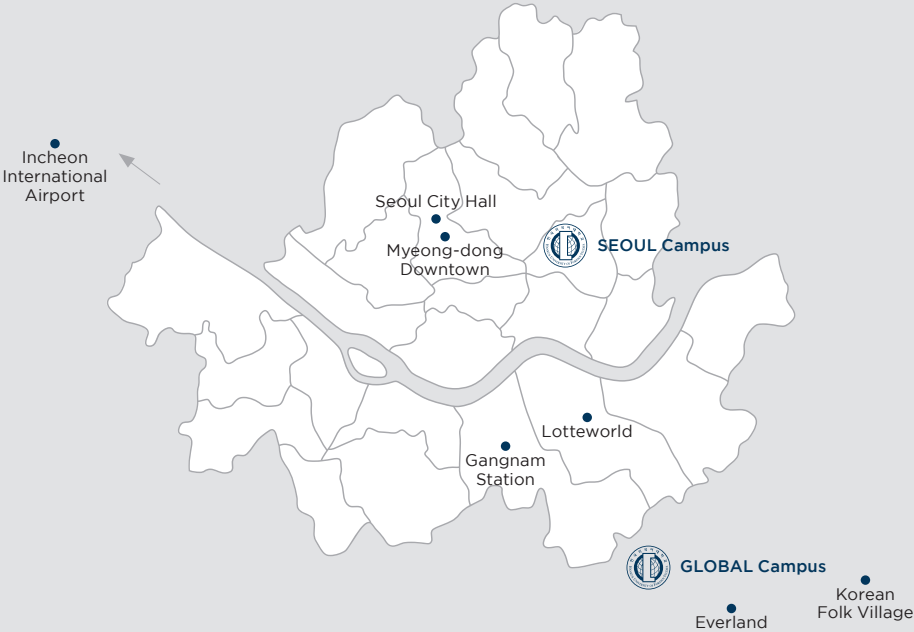

HUFS has educational exchange ties with 545 universities and educational institutes in 93 countries worldwide. HUFS operates student exchange and study abroad programs where each year more than 2,000 students are sent all over the world, while over 3,300 students are welcomed at HUFS.
