Language of Instruction (English)

- Applicants should meet an appropriate level of English language proficiency before enrolment.
- Students coming for one semester may provide a signed letter from the home institution indicating proficiency according to a minimum level of CEFR B2.
- Students coming on exchange for a full academic year will need to demonstrate proficiency through an official test in line with UKVI standards. Further details on English language proficiency test requirements can be found on the student exchange webpage.

English language support

All international students can participate in English language sessions offered by English for Academic Success (EfAS).

Teaching structure

Teaching model

DMU delivers undergraduate programmes in a Block Teaching format. This consists of studying one block (module) worth 30 credits (15 ECTS) at a time. Two blocks will be delivered per semester. Some exceptions may apply.

Module options and programmes of study

Most modules available to select will be the second year of undergraduate study. Some faculties may allow selections from the third year. Module options for all faculties can be found directly on our website. A summary of the programme areas is provided below:

- Accounting and Finance
- Architecture and Built Environment
- Business, Entrepreneurship and Human Resource Management
- Computer Science and Informatics
- Creative Design
- Design
- Economics
- Engineering
- Fashion and Textiles
- Health Sciences
- Humanities
- Law
- Marketing
- Media
- Music
- Performance and Arts Management
- Psychological and Social Sciences
- Visual Arts

N.B. It may not be possible to mix between programmes or levels of study.
